

Shute Primary School Newsletter 12th July 2019

Attendance Up to this week 94 %

Target 95%

Dear Parents,

Thank you for supporting our summer fair today as funds raised will go to the PTFA who help provide your children with a wider range of opportunities that otherwise the school would struggle with because of limited funding which schools are given from the government.

A special thank you to Mrs Bromley and Hedgehog class who provided the amazing maypole dancing today to start off the summer fair! It is a wonderful activity that the children in that class will always treasure.

STEM day at Axe Valley Academy

I had the opportunity to travel with the Year 5 children on Tuesday to the STEM day at Axe Valley Academy which focused on Science, Technology, Engineering and Mathematics. The children took part in three activities which included making healthy smoothies and snacks, joining in with a range of physical sporting activities led by Year 9 P.E students and taking part in a Science lesson which focused on how our lungs work. The day was an opportunity for Axe Valley Academy to promote itself to the children and showcase the types of activities which the children who attend the school might take part in.

Wildwood Escot School Trip

To celebrate the end of the school year and for all the hard work and progress the children have made this year we have decided to explore and have fun at Wildwood Escot on Tuesday, 23rd July. Please read carefully the parentmail that has come out today and please give consent and a donation of £5 to pay for your child's trip.

Year 5 & 6 Multi-skills

On Wednesday 10th July all of Badger class went to the multi-skills festival at Axe Valley Academy. The weather was perfect and we all had a great time! We came first through the electric fence and tyre challenge (it was safe). Everyone did brilliantly and it was fun!

I am pleased to say that we have had the Year 6 SATs results back and Year 6 parents will next Friday be receiving a paper copy of their child's KS2 SATs results along with their child's end of year school report. The Year 6 children overall should be proud of their results as each child worked hard and gave their best effort. The overall results are very encouraging!

This year we had:

87% achieved expected or above in Reading

87% achieved expected or above in SPAG (Spelling, Punctuation and Grammar)

73% achieved expected or above in Writing

67% achieved expected or above in Mathematics

Data Processing Consent

As a school, under GDPR, we need to have clear consent to use your child's personal information in ways that fall outside our legal obligations. You may give and update your consent at any time by completing this short form: <https://www.axebf.org.uk/information/privacy-policy/consent-form/>
Should access to this form online be difficult, paper copies are available from the school office.

Sickness

In line with NHS and Department of Education guidelines, children should not come into school for at least 48 hours after the last episode of diarrhoea or vomiting.

School lunches

Reminder that the cost of school meals for pupils aged 3-4 (In Squirrels FSU) and in Year 3 and above is **£2.40** per day. Lunch money should be paid in advance via ParentPay.

Illness and Absence

If your child is absent from school, you are requested to contact the school office before 9.15am. As required by our Safeguarding Policy if the administration team have not heard from you by early morning they will contact you to establish why your child is not in school. If we are unable to establish contact we may have to report this to the School Education Welfare Officer.

If your child needs to attend a medical appointment in school time, please complete the S2 form which can be found on the school website. <https://shuteprimary.org.uk/wp-content/uploads/sites/7/2019/03/S2-October-2018.pdf> or ask Mrs Haysom for one prior to the absence.

If a child is late, he or she must be signed in by a parent or carer, they must follow the instructions in the entrance and use the intercom to alert the office and a member of staff will come and let you in to sign them in.

Persistent lateness has a negative impact on learning and we support families to ensure all children arrive in good time. A letter or email must be sent to school with the child on their return to school and for any planned medical appointments.
