## 25<sup>th</sup> September 2020

**Shute Primary  
School**

Attendance Up to this week 95%

Target 95%

Dear Parents,

As a school we have been working with Devon Moors Federation in a managed partnership. Their Executive Headteacher Steve Mellor has been working with both Shute and Kilmington schools. It has been a successful partnership thus far and I feel positive about the support the school has been getting. I would like to direct you to our school website which has an overview of our school development plan in partnership with Devon Moors so please have a look. On the front page go to 'About Us' and click on School Development Plan, which takes you to the overview of the school development plan.

We have started to assess the children to see where the gaps are in literacy and numeracy because of the disruption to their learning caused because of the lockdown. Once we have this information we will be better able to support the children and their needs addressing any gaps moving forward. I have been so impressed by the children and their attitudes towards school and learning. They have come back positive, settled into their new classes and routines and are applying themselves to all activities given.

All of the teachers and staff at Shute work extremely hard and are very supportive and go the extra mile to help your children. They look forward to meeting you for a parent consultation before half term. I will give you further information next week about how we are planning on meeting with one of you in a safe way to discuss how your child is settling in and areas to focus on.

Have a nice weekend.

Kind regards,  
Mr Germscheid

### **Update**

A few parents have contacted me about a lego club, as mentioned previously there are no clubs at present (apart from Mindfulness). Just to confirm, Mrs Clark as part of her SENDco role is taking teacher selected students for Lego intervention, but this is not a club.

### **Before School Club**

Mrs Sandman will be running the before school club every morning. If you would like your child to attend for the first time, please contact Mrs Haysom, email [admin@shute-primary.org.uk](mailto:admin@shute-primary.org.uk) for further details.

### **Inhalers and other medication:**

Please ensure that we have a new medical form for the new school year and in date medication in school, should your child need regular or emergency medication in school. Please see Mrs Haysom to fill out a form. We are only able to give prescribed medicine and selected Over the Counter Medicine to children and all prescribed medicine must come in the container/box it was prescribed in. Green medical forms can be requested from Mrs Haysom, please complete and hand in to her with your child's medicine.

## **Parking**

I have been made aware that parking continues to be a massive issue. This has been a problem for years and certainly since I started at the school. There are no easy solutions. I ask that you park carefully, show respect for other parents who are also trying to drop off or pick up and most importantly please make sure your children are safe as they walk up to the school on a morning and down after school. Thank you to everyone who is parking carefully and sensibly.

## **Raising Awareness about Racism**

One of our parents has been raising awareness about racism in Devon and she mentioned about a lady called Tsara Smith who is rambling different areas of Devon to raise awareness as well. She is rambling the Kilmington-Whitford-Shute area on Friday. As a school I deliver the PSHE scheme which addresses many important issues that we face in our country today. Having an understanding of the issues allows the children to become more informed.

## **Free School Meals**

All children in reception, year 1 and year 2 at state schools in England automatically get free school meals. However, parents and guardians are encouraged to apply for free school meals when they enrol their child in school, as this can help their child's school to attract additional '[pupil premium](#)' funding to support learning.

From year 3 onwards, children whose parents are getting any of the following are entitled to free school meals:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods).
- Income Support (IS).
- Income-based Jobseekers Allowance (IBJSA).
- Income-related Employment and Support Allowance (IRESA).
- The guaranteed element of State Pension Credit.
- Support under Part VI of the Immigration and Asylum Act 1999.
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income as assessed by Her Majesty's Revenue and Customs, that does not exceed £16,190).
- Working Tax Credit run-on (the payment you get for a further 4 weeks after you stop qualifying for Working Tax Credit).

## **Pupil Premium**

The pupil premium is additional funding given to state-funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

There are 4 elements to pupil premium:

1. Free school meal eligibility
2. service children
3. adopted from care, special guardianship order and residence order
4. children in care

Any qualifying family that registers their eligibility (based on the free school meal criteria) will help raise pupil premium money for the school. For 2020-21, the additional funding will be £1,345 for a primary school, for each registered child.

Do I need to apply for pupil premium? (based on free school meal criteria)

You only need to apply if you have a child in reception, year 1 or year 2 and both of the following apply:

- you do not have an existing free school meal claim
- you are in receipt of any of the qualifying benefits (see [School meals](#) for a list of the qualifying benefits).

How to apply

Through the [Citizen Portal](#) which is the quickest and easiest way to apply and will result in you getting an instant decision.

Parents and carers can also ring the Education Helpline on 0345 155 1019.

### **Sickness**

In line with NHS and Department of Education guidelines, children should not come into school for at least 48 hours after the last episode of diarrhoea or vomiting.

### **School lunches**

Reminder that the cost of school meals for pupils aged 3-4 (In Squirrels FSU) and in Year 3 and above is £2.50 per day. Lunch money should be paid in advance via ParentPay. Orders must be placed the Thursday before the week lunches are required.

### **Illness and Absence**

If your child is absent from school, you are requested to contact the school office before 9.15am. As required by our Safeguarding Policy if the administration team have not heard from you by early morning they will contact you to establish why your child is not in school. If we are unable to establish contact we may have to report this to the School Education Welfare Officer.

If your child needs to attend a medical appointment in school time, please complete the S2 form which can be found on the school website. <https://shuteprimary.org.uk/wp-content/uploads/sites/7/2019/03/S2-October-2018.pdf> or ask Mrs Haysom for one prior to the absence.

If a child is late, he or she must be signed in by a parent or carer, they must follow the instructions in the entrance and use the intercom to alert the office and a member of staff will come and let you in to sign them in.

Persistent lateness has a negative impact on learning and we support families to ensure all children arrive in good time. A letter or email must be sent to school with the child on their return to school and for any planned medical appointments.

# Schools advice to parents and carers

Keeping our children, schools and communities safe

Currently only people with COVID-19 symptoms need to get tested:

**A high temperature**

**OR new, continuous cough**

**OR loss or change to sense of smell or taste**

Visit the 111 [online symptom checker](#) and [check the government website](#) for changes to testing guidance.

People without COVID-19 symptoms don't need to get tested, unless asked to by a health professional, even if they are a 'close contact' of someone who tests positive. Close contacts should isolate for 14 days and only get tested if they develop COVID-19 symptoms.

Stay up to date with the latest coronavirus (COVID-19) advice in Devon at [devon.cc/covid-19](https://devon.cc/covid-19) and sign up to receive updates at [devon.cc/connectme](https://devon.cc/connectme)

What if...	You need to...	Return to school...
My child has COVID-19 symptoms?	<p><b>Keep your child at home and tell school they have COVID-19 symptoms</b></p> <ul style="list-style-type: none"> <li>• Get your child tested and tell school the result.</li> <li>• Self-isolate whole household while waiting for test result (If unable to get a test, child must self-isolate for 10 days from when their symptoms started and rest of household must self-isolate for 14 days)</li> </ul>	<p>if your child's test result is negative and they feel completely well. They should be without a high temperature for at least 24 hours.</p>
My child tests positive for COVID-19?	<p><b>Keep your child at home and tell school test result</b></p> <ul style="list-style-type: none"> <li>• Self-isolate your child for 10 days from when their symptoms started (or from day of test if no symptoms).</li> <li>• Self isolate your whole household for 14 days from when your child's symptoms started (or from day of test if no symptoms) even if someone else in the household tests negative during that time.</li> </ul>	<p>after completing 10 days self-isolation and they feel completely well. They should be without a high temperature for at least 24 hours. They can return to school even with a cough or loss/change of taste or smell as these symptoms can last for several weeks after the infection has gone.</p>
