### How we intend to spend the grant

At Shute School we have:

- purchased specific software to assist children's learning – RM Easimaths
- purchased new IT hardware to assist children's learning
- additional TA support to run a Lego club to focus on specific children
- additional TA support to release teachers to run booster groups

### How the effect of this expenditure on the educational attainment of these pupils at the school will be assessed

At Shute School we will assess the effect of this spending by:

- re-assessment by teachers when all children return to school after the second lockdown on 8<sup>th</sup> March 2021
- on-going teacher assessment
- 6 weekly review of impact of interventions
- adjustments of interventions if necessary following reviews
- Targeted groups catching up to their peers or to where they were predicted to be before lockdown
